

Day one of Remote Learning Provision – Year 3

Good morning and we are really sorry you cannot be with us in class at the moment due to isolating, but if you do not have any symptoms and are well, you should still continue learning at home, so you do not miss out on your learning.

Have a good day and remember your learning for day 2 onwards will be sent to your parents via email, please ask them to look out for that.

We would like you to plan your day rather like a day at school, to help you stay on track and focused, so please use this as a guide.

Aim to start at 09:00

Task 1: Warm up your brain for the day by practicing the spellings for the week. These are found in the usual place on our school website, under our class page-home learning-spellings. Learn the words for the group you are in. Then have a go on Times Tables Rockstars using your login which you were given at the beginning of the year.

Task 2: Follow this Oak National Academy lesson linked to the book Into the Forest by Anthony Browne.

Task 3: Exercise. Find a way to move your body to give yourself a 'brain break'. Perhaps a run around the garden, up and down the stairs, or star jumps and sit ups in your room.

Break – Don't forget to have a healthy snack.

Task 5: Quiet reading to someone in your house, if this is not possible, read silently to yourself.

Task 4: Go through this lesson on Oak National Academy which will recap your knowledge on place value. This lesson is all about reading and writing 3-digit numbers.

Lunch and fresh air and some exercise as at break

Task 6: Please complete the reading lesson on Oak National Academy. This will teach you about developing reading for pleasure through personal reflection.

Task 7: As we are learning about Ancient Egypt, have a go at making your own Ancient Egyptian death mask. Here are some helpful links:

Well done, you have completed your first day of remote learning. Please ask your parents to check their emails for further learning.

If you would like to show us your learning, please photograph it and upload it to your Teams account. Alternatively, you can bring it in with you when you return to school.
