

Photograph & Video & Use of Images Consent Form

Photographs of pupils will be taken at the beginning of their time at Sir Henry Fermor CE Primary School and in the autumn term and summer term by a professional photographer approved and appointed by the school. The school has a legal basis for taking these photographs for internal identification.

There will be the opportunity to purchase these professional photographs, but we would like your consent to release the proofs to you. There may also be other opportunities to publicise some of the activities that your child is involved with at school, this may involve filming or photographing children for use in slideshows and presentations at 'Open Days'; the school's newsletter; School, Diocese and Trust websites and social media sites; for press and TV celebration reports; on display boards around school and to create 'Leavers' Dvd's and booklets. This will only ever be displayed or used with just your child's first name.

We really value using photographs of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, also allowing you all to capture precious memories at school events. We would like your consent to use appropriate photos and videos of your child and use them in the ways described above. If you're not happy for us to do this, that is not a problem – we will accommodate your preferences.

Please tick the relevant box below and return this form to the school office.
