

English

Terms 5 and 6 are an exciting time for English as we turn our attention towards the oracy aspect of English by preparing for our year-end production. Stay tuned to find out what the show-stopper will be this year! Whilst not preparing for the production we will also be editing some earlier writes as well as writing balanced discussions, letters and instructions.

Our core text is "Letters from the Lighthouse" (by Emma Carroll) alongside a selection of texts by Pie Corbett

Maths

We will continue to build and revise numeracy skills as we approach SATs towards the end of Term 5. Our revision will include arithmetic and reasoning, whilst lessons will particularly cover topics of shape, position and direction. Following SATs, we will revise key areas of both arithmetic and reasoning (often in more project-based ways) preparing children for Secondary School Maths.

RHE

We will focus on our preparation for transition to Secondary School.

Art

Term 6: Making Props for Production and Memory Boxes

DT

Term 5: Come Dine with Me

RE

Term 5: Kingdom of God – We will consider, for Christians, what kind of King is Jesus.

Term 6: Thematic Unit – We will consider how faith can help people when life gets hard.

History

Term 5: We will begin the term by completing our local history study of Sir Henry Fermor.

We will then move on to study World War II for the remainder of Term 5 and 6, focusing on:

- Evacuation (Operation Pied Piper)
 - Battle of Britain
 - Life on the Home Front

Geography

Term 5: Jamaica – We continue our focus on migration, diversity and tourism.

Term 6: Fieldwork and Geographical enquiry skills – for our final term we will return to maps and atlases, building our skills at reading and understanding the symbols we see.

Term 5 & 6 (WWII & Transition)

Science

Term 5: Evolution and Inheritance – This term, children will learn to:

- Recognise that living things have changed over time.
- Recognise that living things produce offspring that are not usually identical to their parents.
- Identify how animals and plants are adapted to suit their environment.

Term 6: A recap of prior learning on Reversible and Irreversible changes.

Music

We will be practising our singing skills in preparation for our performance at the end of the year.

There will be opportunities to audition for parts for the production.

We will be thinking about projection, clarity of words and how breathing can support our singing.

Latin

We will continue to find out about the impact of the Romans and Latin language on life today

PE

Term 5: Athletics & Tennis

Term 6: Rounders & Football

Computing

Skills based lessons to build knowledge in day-to-day computer use.

Including: Logging on effectively, safe internet searches, emails.

Supporting Learning

We remain grateful for the support children are given with their learning outside of school. Please continue to encourage your child to read regularly and to discuss their reading with you.

Weekly homework tasks will be shared on the class pages of the website as usual.
