

GPS Week 1 Session 4	Possessive Apostrophes		
Starter	No starter for today's activity.		
Parent	Your child will need a pencil or biro and their extraordinary home learning books or a piece of paper. They will need to listen to the dictation on the spelling video which is on the website and pause it if they need more time. They need another colour pencil or biro with which to mark and improve it.		
Activities	* Independent writing in your extraordinary home learning books.	** Independent writing in your extraordinary home learning books	*** Independent writing in your extraordinary home learning books
	Just attempt the first two sentences but we would really like them to use their phonic knowledge to spell words correctly.	Complete all sentences in the dictation including the punctuation and as many correct spellings as possible.	Complete all sentences in the dictation including the punctuation and as many correct spellings as possible. As a challenge after they have completed the dictation, can they choose a noun in each sentence and improve it by adding an adjective e.g. The cat's long and fluffy tail <i>(the colour is just to indicate which words are nouns and adjectives, the children do not need to use different colours for this part)</i>
Parent	The spellings and punctuation, especially the possessive apostrophe use will be a focus for the editing activity within their written piece in tomorrow's writing activity.
