1. Mix the flour and salt with enough water to make a stiff dough.

2. Knead the dough for 10 minutes until smooth.

You might need some flour to stop it sticking.

3. Shape the dough into a lamp shape. Then leave in the sun to dry it will take a few days or put in a low temperature oven till dry(adult help needed) . Turn over to dry base.

4. Paint the dry lamp. You can put a pattern on the inside and outside.

5. Decorate with spots or stars if you have any.

6. Finished
