| <b>Starter</b>      | This week we are learning about the wider world. Please watch the narrated power point as a starter which is on the website.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |
| Parent              | <p>This week we are learning about the whole world. The children have to be able to name <b>the 7 continents</b> and 5 oceans. It would be really helpful if the children were able to look at a globe or access to give them a greater idea of the size of continents and where they are positioned.</p> <p>Ask them questions such as:<br/>           Have they ever been to any of them? What do they remember?<br/>           Do any family members or friends live in different continents of the world?<br/>           What do they know about the counties in certain continents?<br/>           What do you know about the flags, language/ food/ customs?<br/>           Which continent would they most like to find out more about?</p> <p><b>Next week we will be learning about the 5 oceans.</b></p> |                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |
| Activity            | <p>* Internet based activity</p> <p>Play any of the games found on BBC bitesize but start with the one that has the telescope icon to reinforce knowledge about the United Kingdom first</p> <p><a href="https://www.bbc.co.uk/games/embed/education-ivor-pirate-rabbits?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fz6vyf4j">https://www.bbc.co.uk/games/embed/education-ivor-pirate-rabbits?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fz6vyf4j</a></p>                                                                                                                                                                                                                                                                                                                            | <p>** Worksheet based activity</p> <p>Complete the worksheet on the website to label the continents, add any drawings of human or physical features that they know exist on the particular continent.</p> | <p>***Personal research</p> <p>Do some independent research to find out any facts about a particular continent that they are interested in. They can write these in their <b>extraordinary home learning books</b> or present it in any way they wish.</p> |
| Parent              | <p>If they would like to enjoy some songs about the continents please go to <a href="https://www.youtube.com/watch?v=gFIS3aLQPfs">https://www.youtube.com/watch?v=gFIS3aLQPfs</a> and <a href="https://www.youtube.com/watch?v=K6DSMZ8b3LE">https://www.youtube.com/watch?v=K6DSMZ8b3LE</a>,</p> <p>although they are American, they are very enjoyable presentations. Please go to the creative curriculum icon to find the words for the chorus to help remember the names of the continents.</p>                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |
