

OSTRICH

The ostrich is the tallest and heaviest of all birds.

Although ostriches have wings, they cannot fly.

Ostriches have long, powerful legs and can run at speeds of over 40 miles an hour.

Ostriches live in Africa's savannahs and deserts.

Ostriches are mainly vegetarian. They have a diet of roots, leaves, seeds and flowers but they will also eat insects and small lizards.

Did you know?

One ostrich egg is about the size of 24 chicken eggs!
