

Maths Week 7 Session 1	Measuring in litres		
Starter	Follow the link to the Daily 10 website: https://www.topmarks.co.uk/maths-games/daily10 Hover over the purple band and click 'level 1', hover over the blue band and click 'addition', then hover over the turquoise band and click 'bonds to make 20'. Your child can complete these to a time you set or you can click the 'manual' option to do it at their own pace.		
Parent	This week is a bit of a mix and match week, as we want the last week of term to feel a little more relaxed but have some learning still taking place too! Today's session will be about measuring in litres. Follow the link to the White Rose website: https://whiterosemaths.com/homelearning/year-2/ Then find the pink band that says 'Summer term - week 11 (w/c 6th July)'. Watch the lesson 1 video.		
Activity with your child	* Practical based	** Internet based	*** Worksheet based
	Using a measuring jug at home, explore measuring in millilitres and litres.	Play the espresso game 'litres or millilitres' by following the link below. https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item460410/grade1/module849225/index.html	Complete the worksheet on the website. Answers are provided.
Parent	There are optional challenges provided on the website for this session if your child feels confident. Answers are provided.		
Maths Week 7 Session 2	Temperature		
Starter	Follow the link below and play the 'ordering capacity' game. https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item852520/grade1/module849225/index.html		
Parent	Today's session is all about temperature. Follow the link below to the White Rose website: https://whiterosemaths.com/homelearning/year-2/ Then find the pink band that says 'Summer term - week 11 (w/c 6th July)'. Watch the lesson 2 video.		
Activity	* Internet/worksheet based activity	** Worksheet/written based activity	*** Worksheet based activity
	Follow the link below to play the game 'ordering hottest to coldest'.	Complete the worksheets on the website.	Complete the worksheet on the website. Answers are provided.

	https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item852552/grade1/module849225/index.html		
Parent	There are optional challenges provided on the website for this session if your child feels confident. Answers are provided.

Starter	Follow the link to the Daily 10 website: https://www.topmarks.co.uk/maths-games/daily10 Hover over the purple band and click 'level 2', hover over the blue band and click 'addition', then hover over the turquoise band and click 'bonds to make 100'. Your child can complete these to a time you set or you can click the 'manual' option to do it at their own pace.		
Parent	Today's session is all about multiplication. Go through the multiplication PowerPoint on the website, using the pictures to help them work out the answers.		
Activity	*	**	***
	Internet based Play the game 'counting in multiples of 2, 5 10 and 3' by following the link: https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item841417/grade1/module784709/index.html	Worksheet based Complete the colouring worksheets on the website.	Worksheet/written based Complete the worksheet on the website. Answers follow on.
Maths Week 7 Session 4	Game to summarise all you have learnt!		
Starter	Follow the link to the Daily 10 website: https://www.topmarks.co.uk/maths-games/daily10 Hover over the purple band and click 'level 2', hover over the blue band and click 'multiplication', then hover over the turquoise band and click 'x3'. Your child can complete these to a time you set or you can click the 'manual' option to do it at their own pace.		
Parent	For today's session there is a game for your child to complete that summarises all they have learnt. There are 4 clues to solve to help them work out what bird it is, once they have solved all 4 clues they go back to the page explaining all the different characteristics of different birds to help them put their clues together and find out what bird the feather belongs to. The answers to the clues follow on, so be aware they don't see these first!		

Activity	Complete the 'Year 2 the mystery daytime feather maths game'. Instructions and answers are provided.
