

Session 1 - 2 star

Start the game on the centre number (60), roll the die and move your counter in any direction. Then add or subtract the number you have landed on from the centre number. Write down in your home learning journal each of the number sentences you do to keep track of the number you are on. You can play this game with someone in your family or on your own.

+ 10	- 20	+ 20	- 20	+ 20	- 20	+ 20	- 30
+ 20	+ 10	+ 10	- 10	+ 10	- 30	+ 20	- 10
