

Maths Week 1 Wednesday	Capacity		
Starter	This week, as well as learning about fractions we are also beginning learning about capacity. There is a video on the website to introduce this topic, with reference to last years learning, or follow the link below: https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm		
Parent	When watching the video, pause where you feel necessary to discuss anything your child is unsure of. Focus on the key language - full, half full, empty, largest, smallest, quarter full, half full, three-quarters full. Discuss the word 'estimate' and what a good estimate would look like when it comes to guessing how many mugs to fill the bottle,		
Activities	* Practical based	** Worksheet based	*** Worksheet based
	Explore with rice or water different containers. Use the vocabulary cards on the website and see if you can fill a container up 'half full' etc.	Complete the sheet on the website (usual place).	Complete the sheet on the website (usual place).
Parent	You may want to spend more time looking at capacity practically first using the idea in the * activity.
