

Email update 04.04.20

Dear Parents,

Thank you so very much for all the wonderful home learning that you have been sharing with us on a regular basis and for keeping in touch via the email. It keeps us connected with you and makes us feel that we are still very much involved in your learning. Miss Newman was thrilled with all her birthday wishes, pictures, poems, creations etc she says "it has really made my day!" We also wish any of you in Year 2 a very Happy Birthday if it is or has been your special day during our time away from school.

We also wanted to share with you what some of the team have been doing:

Hello Year 2

I hope you are all well and enjoying your time at home! This week I have been helping my daughter with her home learning as well as completing my own work. It has been an exciting week for us, as we have some new additions to our family, can you guess what they are...

They are small and have feathers
Live outside in all weathers
They are noisy and clever
And are really no bother.
They lay eggs if you are lucky
Their coop can get mucky
And some are quite plucky

Meet Bubbles, Henri and Fluffy
plus one other! her name is undecided yet,
perhaps you can help with ideas?

Take care, I miss you all!

Hello

I hope you are all working hard on your home learning and all your super puppets. I'm really looking forward to seeing them.
I am spending my time making lots of things for you to do. I am doing lots of knitting. This is a picture of all the wool waiting to make something.

From
Mrs Oram

For the next two weeks we will now technically be on our Easter holidays but we are very conscious that many of you have requested some activities to help to support you over this period. Therefore, we have uploaded on our class page some Easter activities and ideas for the children and will continue to do throughout the break. All of this is entirely optional but if you do some of these please remember to take a picture to record the activities and email them at the end of the 2 weeks. If you have any urgent request or question please email the office and we will respond as quickly as possible.

From the beginning of next term we will be sending out weekly home learning for you to complete as and when it is possible considering your family situation. This will be sent out every Friday prior to the week's learning and we would like you to continue to send what you can back to us as a weekly email if possible so that we can share the photos on the website and celebrate the gold book achievers.

We hope you have a safe and restful Easter.

Kindest regards
the Year 2 Team.
