

Maths challenge - 01.03.21

Which shape is the odd one out?

Can you explain why?

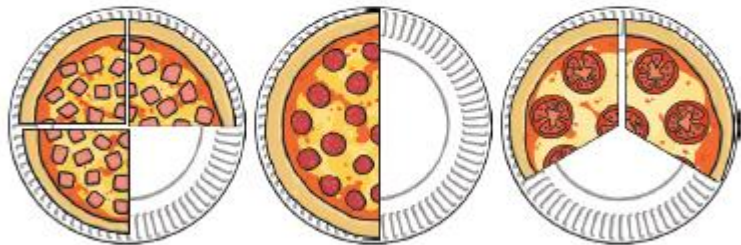

Can you draw that shape and split it into thirds?

James, Abida and Sarah are eating pizza.

James eats $\frac{1}{2}$ of his pizza.

Abida eats $\frac{1}{3}$ of her pizza.

Sarah eats $\frac{1}{4}$ of her pizza.

Which pizza belongs to each child?

Who eats the most pizza?
