

It's A Long Way On A Donkey

CHORUS *It's a long way on a donkey,
It's a long way to go,
It's a long way on a donkey,
It's a long and winding road.*

- 1 I come from a town called Nazareth
In a place called Galilee.
I work for Joseph the carpenter
And his lovely wife, Mary.

CHORUS

- 2 One day Joseph said to me
"My wife will have God's son,
Mary will have this special child,
The holy, chosen one".

CHORUS

- 3 I carried the King to Bethlehem,
Jesus the chosen one.
I carried the King to Bethlehem,
Jesus Christ, God's Son.
